

CURRICULUM VITAE OF JEDIDIA MADIDA

PERSONAL DETAILS

Last Name : Madida
First Name(s) : Jedidia
Date of Birth : 23 January 1992
ID No. : 9201235626087
Gender : Male
Ethnicity : African
Languages :

Language	Comprehension	Speaking	Writing
English	Good	Good	Good
Tshivenda	Good	Good	Good

Driver's License : Code B
Postal Address : 221 Silver Place, 617 President Street, Silverton, Pretoria, 0184
Residential Address : 221 Silver Place, 617 President Street, Silverton, Pretoria, 0184
Email Address : jedidia.madida@gmail.com
Cell No. : 076 087 2167
Alternative No. : 082 713 3056

ACADEMIC DETAILS

SECONDARY

Name : Thohoyandou Technical High School
Highest Grade Passed : 12
Year of Matriculation : 2009

TERTIARY

Name of Institution	: University of South Africa	Name of Institution	: University of South Africa
Course	: National Diploma in Civil Engineering	Course	: BTech Structural Engineering
Years of Completion	: 2016	Year of Completion	: 2018

SKILLS AND ATTRIBUTES

- Good communication and interactive skills.
- Excellent computer end-user.
- Proficient in AutoCAD (Certified) and Civil 3D.
- Insightful in Civil Designer.

ACHIEVEMENTS

- Tertiary studies completed with 24 distinctions and an overall average of 74%.
- 2008 Mvudi Circuit Grade 11 best learner in Engineering Graphics and Design, and Mechanical Technology.
- 2008 Thohoyandou Technical High School Grade 11 best learner in Engineering Graphics and Design, and Mechanical Technology.

WORK EXPERIENCE

Vacancy #1

Employer : Tshwane University of Technology
Period of Employment : April 2019 – Present
Position : Civil Engineering Lab Technician
Responsibilities : Manage and maintain laboratories and educational equipment. Liaison with lecturers using the laboratories, other technical staff and industry. Assisting academic staff with practicals, including invigilation, controlling attendance and general management of Civil Engineering laboratories. Technical and logistical assistance in the department on an ad hoc basis. Administrative duties associated with functions in an academic department at a University of Technology.

Vacancy #2

Employer : Lafarge-Holcim
Period of Employment : July 2017 – Present
Position : Graduate Trainee
Responsibilities : Took part in a Graduate programme wherein I was undertaking training in a readymix lab. In the programme, I gained sizeable knowledge of the tests that need to be undertaken on the material that need to be used in formulating a concrete mix. I also attained ample knowledge of the range of tests that need to be ran on a concrete mix and I have also gotten knowledge on how a concrete mix is formulated. I have also gained exposure on the design and casting of special concrete (exposed, polished, high strength and self-compacting concrete) and also gotten the chance to undertake plant audits.

Vacancy #3

Employer : Modena Design Centres
Period of Employment : February 2017 – May 2017
Position : Graduate Trainee
Responsibilities : Training in Autodesk AutoCAD Fundamentals (Attained international certification as an AutoCAD User) and Autodesk AutoCAD Civil 3D Essentials (got training in road, sewer line, bulk water, stormwater and reticulation design)

Vacancy #4

Employer : Morula Consulting Engineers
Period of Employment : February 2015 – March 2016
Position : Civil Engineering Trainee Student
Responsibilities : Was a trainee student in the Thohoyandou Block G Extension and Magidi Unit E road construction project, and was responsible with field survey work, chairing site meetings, conducting quality control measures during the progression of the project, contract management, taking quantities, compiling and submitting claims certificates, presenting in municipal Project Management Unit (PMU) meetings and compiling snag list, practical completion and completion certificates.
Project Client : Thulamela Local Municipality (Tender No.: 151/2013/2014)
Project Value : R 91 767 804,95

REFERENCES

Referee #1

Name : Mr H.O. Tsanwani (Pr Tech Eng)
